From The Sports Desk - Week 5 of 2nd Term 2017 - Mr Beetge

16 May 2017

A wet, windy and cold last few days has affected our extra-mural programme badly. We will always place safety first in any decision regarding cancellation of an event. Please remind the VPS parents in your circle of friends to ensure that they have the D6 installed on all their devices, as this is our main channel of communication, especially with regard to extra-mural activities.

Punctuality for Events/Functions/Matches - Mr Bannister

16 May 2017

I have an urgent request for all parents - please ensure that you child is on time for their scheduled events. Unfortunately we have had far too many pupils arriving late or not even arriving for various events. This has been not only for sporting matches or practices but also for artistic, musical or cultural activities. Regardless of reasons for this, going forward there will be punishment meted out. Your co-operation and support in this regard will be greatly appreciated.

It was a very successful tournament and many thanks to the Virginia staff who gave of their time and helped on the day.
